Where applicable, the products we use carry manufacturer warranties, which sit alongside our own workmanship guarantee. That applies across the range of work we do, from tiled and slate roof replacements to EPDM rubber and GRP fibreglass flat roofs, Metrotile lightweight conservatory roofs, guttering, fascias and dry verge. Guarantee terms depend on the job. One customer, for example, received a five-year guarantee on chimney repointing and plant removal work. Your written quote will always confirm the exact terms for your project.
