What is Big Bass Crash?

At its core, Big Bass Crash is a social multiplayer arcade-style game developed by Pragmatic Play. Unlike conventional slots where the outcome is identified quickly upon pressing a button, this game puts the element of control directly into the hands of the gamer.

The premise is simple: a brave angler sets sail on a boat, and as he journeys throughout the water, a multiplier coefficient begins to rise from **1.00 x** upward. The goal is for players to squander their payouts before the boat crashes-- or in this case, before the net breaks or the fish gets away. If a player cashes out effectively, they win their initial stake increased by the current worth. If the crash happens before they squander, the bet is lost.
