- **Coin Flip:** Appears 4 times (Triggers Bonus)

- **Cash Hunt:** Appears 2 times (Triggers Bonus)
- **Pachinko:** Appears 2 times (Triggers Bonus)
- **Crazy Time:** Appears 1 time (Triggers Bonus)

The Top Slot: Adding Extra Kick to Every Spin

Before the main wheel is spun in every video game round, a two-reel **Top Slot** spins concurrently above the main game.

- **Reel 1** displays one of the wheel betting sectors (numbers or bonus rounds).
- **Reel 2** display screens a multiplier worth (ranging from 2x as much as 50x).

If the bet area and the multiplier align horizontally on the Top Slot, that multiplier is applied to the segment for that spin. If the wheel lands on that section, all payouts or bonus round multipliers are enhanced appropriately. This mechanic is where the game attains its most explosive win potential.

Dive Into the Four Bonus Rounds

The real magic of Crazy Time lies in its four benefit rounds. While players can win good payouts on the base game numbers, the reward rounds use immersive gameplay and the chance to land enormous multipliers.

1. Coin Flip

The easiest of the 4 bonus offer rounds. The host approaches a digital flipper with a coin that has a Red side and a Blue side.

- Before the flip, random multipliers are appointed to both sides of the coin.
- The host turns the coin, and whichever side lands deal with up figures out the gamer's multiplier reward.

2. Money Hunt

This bonus offer round transitions gamers to a huge screen including a shooting gallery filled with 108 random multipliers.

- The multipliers are hidden behind different signs (such as a cactus, target, or sheriff's badge).
- Players use an on-screen cannon to take goal and shoot at their picked symbol before the timer runs out.
- As soon as time expires, all cannons fire, revealing the hidden multipliers for each player.

3. Pachinko

Motivated by the conventional Japanese arcade video game, Pachinko features <https://bitz.io/games/crazy-time> a large wall filled with physical pegs.

- The host drops a puck from the top of the wall.
- The puck bounces randomly down through the pegs before landing in one of the slots at the bottom, each including a multiplier.
- If the puck lands in a **"DOUBLE"** slot, all multipliers on the board double, and the puck is dropped once again till a multiplier is won (as much as a huge cap).

4. Crazy Time

The crown jewel of the game. When set off, the host opens a red door causing a surreal, vibrant virtual world including an enormous 64-segment wheel.

- Gamers pick among 3 flippers: **Green, Blue, or Yellow**.
- The host spins the giant wheel.
- When the wheel stops, the segment shown by the gamer's picked flipper awards the reward.
- Much like Pachinko, landing on **"DOUBLE"** or **"TRIPLE"** increases all multipliers on the wheel, enabling re-spins up to a staggering 20,000 x or 25,000 x optimum win limitation.

Tips and Strategies for Playing Crazy Time

While Crazy Time is basically a video game of opportunity governed by RNG and physical possibility, players often utilize various betting methods to handle their bankrolls and maximize their playing time.

Popular Betting Approaches

- **The Conservative Approach (Spreading Bets):**
 - Players wager on several numbers (e.g., covering 1, 2, 5, and 10) to secure frequent, smaller sized wins that sustain their bankroll while occasionally capturing a benefit round.
- **The Bonus Hunter Strategy:**
 - Wagers are put solely on the 4 reward round sectors (Coin Flip, Cash Hunt, Pachinko, and Crazy Time).
 - *Risk:* This technique can lead to droughts while waiting on a perk to strike, but it ensures that every trigger leads straight to an interactive function.
- **High-Roller/ High-Variance Play:**
 - Focusing heavy bets on low-probability, high-payout sections like Crazy Time or Cash Hunt in hopes of catching a Top Slot multiplier.

Essential Bankroll Management Rules

1. **Set a Budget:** Decide beforehand how much money you want to lose, and never chase losses.
2. **Comprehend the RTP:** Different segments carry various return-to-player portions. For example, banking on the number 1 provides a higher statistical frequency of hitting, whereas the Crazy Time perk is rare with high volatility.
3. **Treat It As Entertainment:** Live game programs are designed primarily for entertainment. View any possible profits as a reward rather than a dependable earnings source.
