What is Crazy Time?

Crazy Time is a live dealer game reveal hosted in a dynamic, vibrant studio controlled by a massive 55-segment wheel. The video game is operated by a live presenter who spins the wheel and engages with the audience.

The primary goal for a player is to forecast which sector the wheel will stop on. Nevertheless, the video game goes far beyond simple thinking; it presents a top slot that spins in tandem with the main wheel, potentially granting massive multipliers to regular numbers or bonus offer rounds on each and every single spin.

The Betting Layout

Before each round starts, gamers have a minimal time to position their chips on the wagering grid. The board consists of eight unique wagering choices, split between numerical payments and bonus games.

Bet Type Sectors on Wheel Payout Odds Description **1** 21 1:1 The most typical section on the wheel. **2** 13 2:1 Provides double the stake on a win. **5** 7 5:1 A mid-tier number bet. **10** 4 10:1 The least regular numerical bet.

Cash Hunt 2 Reward Game A shooting gallery bonus with 108 random multipliers. **Pachinko** 2 Perk Game A puck drop perk leading to multipliers or double zones. **Coin Flip** 4 Bonus offer Game A simple red vs. blue coin flip with multiplier benefits. **Crazy Time** 1 Reward Game The supreme bonus offer round behind the red door with a massive secondary wheel.

Understanding the Bonus Rounds

The primary attraction of Crazy Time depends on its 4 benefit rounds. While numerical bets keep the balance ticking, the bonus offer games offer the capacity for the most substantial payouts, periodically reaching **Play Crazy Time demo free** up to 20,000 x the player's stake.

- **Coin Flip:** A virtual coin with a red side and a blue side is flipped by the speaker. Each side gets a random multiplier before the flip. Whichever side lands deal with up awards that multiplier to the gamer's bet.
- **Money Hunt:** Players are provided with a screen displaying 108 random multipliers concealed behind shooting targets. Using a virtual cannon, the gamer chooses a target, exposing their multiplier.
- **Pachinko:** A radiant puck is dropped from the top of a Pachinko wall filled with pegs. The puck bounces down up until it lands in among the multiplier slots at the bottom. If it strikes a "Double" slot, all multipliers on the board double, and the puck is dropped once again.

- **Crazy Time:** Players enter a virtual world behind a giant red door featuring a gigantic 64-segment wheel. The player chooses among three flappers (green, blue, or yellow). The wheel is spun, and whatever multiplier the chosen flapper indicate is awarded. If it arrive on "Double" or "Triple," all multipliers increase, and the wheel spins again.
