- **Spelling counts (United States vs. UK English):** Stick to one spelling convention throughout the test (either American or British). Mixing them up can activate spelling mistakes in the automated scoring system.
- **Handle your time ruthlessly:** The Reading area is notoriously hard to end up on time. If stuck on a difficult multiple-choice concern, think the response rapidly and move on to safeguard time for higher-value fill-in-the-blank concerns.
- **Capitalization and Punctuation Matter:** In composing tasks, forgetting a period at the end of a sentence or missing out on a capital letter at the start results in automatic point deductions.
