The Mara is divided into awesome photographic zones. The Musiara and Sekenani areas convey vintage lion and cheetah scenes on Masai Mara and Lake Nakuru tour open grass. The Mara river line is for crossings and hippo.

The Talek edge is powerful for leopard in riverine forest. Northern conservancies offer off-street get right of entry to and night time drives, which the reserve prohibits.

Plan around easy: two drives day-to-day, with noon for go back and forth or rest. Avoid chasing sightings that require racing other motors. Work with a aid who knows positioning and patience. Photographic itineraries are at %LINK%.
