

Larger weddings, sometimes with a hundred or more guests, often mean a bigger overall budget, and photography should be planned for accordingly. Annie Paige Photography works with couples to figure out the right coverage length and package for weddings of any size, from intimate elopements to large celebrations. A bigger guest list often means more coordination on **Portland wedding photographer** the day itself, which is where having a second shooter, such as **wedding photographers Portland** Annie's husband Sapati, becomes especially useful.

Annie Paige Photography | 59 State St, Portland, ME 04101 | (207) 841-4333

Planning photography budget early, alongside the rest of the wedding budget, helps avoid last minute compromises. Call (207) 841-4333 to plan photography for a larger wedding.
