Function	Generalist SEO Agencies	Niche SEO Agencies (e.g., Laid Back Llama)
Industry Knowledge	Broad, surface-level understanding throughout lots of sectors.	Deep, expert-level understanding of particular market pain points.
Keyword Strategy	Targets high-volume, highly competitive generic keywords.	Targets high-intent, long-tail keywords that drive actual revenue.
Material Creation	Often outsourced to basic writers with little topic expertise.	Crafted by industry-fluent specialists who understand purchaser psychology.
Client Experience	Can feel transactional, hurried, and driven by rigid retainers.	Collaborative, educational, and paced for sustainable development.
