FAQ About Dumpster Rental

What are the sizes of dumpsters available for rental in Orlando?

In Orlando, dumpster rental sizes typically range from 10 to 40 cubic yards. Common sizes include 10, 15, 20, 30, and 40 yards, catering to various projects from small cleanouts to large construction jobs.

What items are prohibited in a dumpster rental?

Prohibited items in dumpster rentals include hazardous materials like chemicals, batteries, and paint, along with items such as tires, appliances, and electronic waste. Always check local regulations for specifics.

How long can I keep a rented dumpster?

Most dumpster rental companies in Orlando allow you to keep a dumpster for 7 to 14 days, but this can vary. It's best to clarify with the rental service to avoid extra fees.

How do I choose the right dumpster size for my project?

To choose the right dumpster size, consider the type and volume of waste you'll have. For small projects, a 10 or 15-yard dumpster may suffice, while larger renovations may require a 30 or 40-yard dumpster.

Choosing the Right Size for Your Orlando Dumpster Rental

One of the key factors in the dumpster rental in Orlando process is selecting the appropriate size. Dumpsters typically come in a variety of sizes, ranging from 10 cubic yard to 40 cubic yard. For minor projects such as garage cleanouts or small remodels, a 10-cubic dumpster may suffice. However, for major tasks, such as full home renovations or construction jobs, you might need a 30-yard dumpster. Assessing the scope of your project will help you determine the best size, ensuring you have enough capacity without overpaying for unnecessary space.
