FAQ About Dumpster Rental

What is the average cost of dumpster rental in San Antonio?

The average cost of dumpster rental in San Antonio varies based on size and rental duration, typically ranging from $300 to $600. Additional fees may apply for weight overages or extra days, so it's important to inquire about all potential costs when obtaining a quote.

What sizes of dumpsters are available for rent?

In San Antonio, dumpster rentals typically come in various sizes ranging from 10 to 40 cubic yards. Common options include 10, 20, and 30-yard dumpsters, suitable for different projects like home renovations, cleanouts, or construction.

How long can I keep a rented dumpster?

Most dumpster rentals in San Antonio allow for a rental period of 7 to 14 days. However, this can vary by company, and extensions are often possible for an additional fee, so it's advisable to confirm with the rental service.

What items can I throw in a dumpster?

You can typically place general household waste, construction debris, and yard waste in a rented dumpster. However, hazardous materials, electronics, and certain appliances may be prohibited, so check with your rental service for specific guidelines.

How do I choose the right dumpster size for my project?

To choose the right dumpster size in San Antonio, consider the scope of your project. For small cleanouts, a 10 or 20-yard dumpster may suffice, while larger renovations or construction jobs could require a 30 or 40-yard dumpster to accommodate more debris.

Flexibility and Options for Every Project

Our dumpster rental near San Antonio offers multiple size options to accommodate any type of project. Whether you need a compact dumpster for a simple garage cleanout or a big container for a full-scale renovation, we're here to provide you with the right solution. Opting for the right size is crucial to ensure that you don't overspend by getting a dumpster that's either too big or too small for your project.
