FAQ About Dumpster Rental

How long can you keep a rented dumpster?

Most dumpster rental companies in Lexington, KY allow you to keep the dumpster for 7 to 14 days. If you need it longer, you can usually extend the rental period for an additional fee. Always check the terms with the rental provider.

What size dumpster do I need for a home renovation?

For a home renovation, a 10 to 20-yard dumpster is often ideal, depending on the extent of the project. A 10-yard dumpster is suitable for small remodels, while a 20-yard dumpster can handle larger renovations or cleanouts.

What items are prohibited in a dumpster rental?

Prohibited items in a dumpster rental typically include hazardous waste, chemicals, batteries, tires, and electronic waste. Always consult with your rental company for a complete list of prohibited items to avoid fines.

How do I choose the right dumpster rental company?

To choose the right dumpster rental company, consider factors like pricing, customer reviews, available dumpster sizes, and rental terms. It's beneficial to request quotes from multiple companies to compare options and ensure you find a reputable provider.

- **10-yard dumpster:** Ideal for minor cleanouts or less extensive renovation projects.
- **20-yard dumpster:** The most common size, suitable for medium-sized projects like remodeling a home.

- **30-yard dumpster:** Perfect for larger jobs such as commercial renovations or construction sites.

Choosing the right size can save you resources and money. If you're not certain, our knowledgeable staff can assist you in selecting the best option based on your specific needs.
