Established by Evolution Gaming and introduced in 2020, this game show-inspired work of art took the iGaming industry by storm. Mixing the mechanics of a standard money wheel with innovative increased reality, random multipliers, and 4 unique benefit rounds, *Crazy Time* deals a home entertainment experience unlike anything else on the gambling establishment flooring.

For those wanting to understand the mechanics, techniques, and large enjoyment behind this phenomenon, this detailed guide dives deep into the heart of the madness.

### What is Crazy Time?

At its core, *Crazy Time* is a live dealer game show hosted by an enthusiastic, energetic presenter. The focal point of the game is a huge, vertically installed wheel containing 54 sections. Players put bets on the segment they think the wheel will stop on.

While the principle sounds [bitz.io](https://bitz.io) easy, the integration of a **Top Slot**-- a secondary two-reel slots that spins at the same time with the main wheel-- injects random multipliers into every single round. If the Top Slot aligns a bet type with a multiplier, every win connected with that bet is dramatically enhanced.

### The Wheel Breakdown

To comprehend how the game works, one should look at the layout of the 54 sections. The wheel is divided into numbers (1, 2, 5, and 10) and four bonus round segments.

Segment Type Number of Segments on Wheel Payout Odds **1** 21 1:1 **2** 13 2:1 **5** 7 5:1 **10** 4 10:1 **Coin Flip** 4 Bonus offer Round **Cash Hunt** 2 Bonus offer Round **Pachinko** 2 Reward Round **Crazy Time** 1 Bonus Round

As seen in the table above, the lower numbers appear most regularly, while the rewarding bonus offer rounds are much rarer, including high-volatility excitement to the gameplay.

### The Four Wild and Wonderful Bonus Rounds

The true magic of *Crazy Time* lies in its four reward games. Setting off among these rounds carries players from the main studio into immersive, interactive increased truth mini-games.

#### 1. Coin Flip

This is the easiest and most regular reward round.

- **How it works:** A coin with a red side and a blue side is turned by a mechanical flipper.
- **The Payout:** Before the flip, random multipliers are designated to both the red and blue sides. Whichever side lands face up identifies the multiplier applied to the gamer's stake.

#### 2. Money Hunt

Step up to a massive virtual shooting gallery.

- **How it works:** The screen shows a grid of 108 random multipliers concealed behind different symbols (like a cactus, a target, or a chef's hat).
- **The Payout:** Players utilize an on-screen cannon to intend and contend one symbol before a countdown timer expires. Once the timer ends, all signs expose their hidden multipliers, and the player wins whatever value their selected sign hidden.

### 3. Pachinko

Motivated by the standard Japanese arcade game, Pachinko is everything about gravity and anticipation.

- **How it works:** The dealership drops a puck from the top of a radiant purple Pachinko wall filled with physical pegs. The puck bounces arbitrarily down the board until it lands in one of the landing zones at the bottom.
- **The Payout:** Each zone includes a multiplier. If the puck lands in a "DOUBLE" zone, all multipliers on the board double, and the puck is dropped again for huge possible payments.

### 4. Crazy Time

The ultimate function of the game, happening behind an enormous red door.

- **How it works:** The host unlocks to reveal a surreal, giant virtual wheel with 64 sections and 3 flippers (Green, Blue, and Yellow).
- **The Payout:** The player must choose among the 3 flippers. The wheel is spun, and whichever multiplier the chosen flipper indicate when the wheel stops is awarded to the player. Just like Pachinko, landing on "DOUBLE" or "TRIPLE" increases all worths on the wheel for a re-spin.
