

The roofer you hire can make the difference between a roof that lasts decades and one that needs attention again in a few years. First Class Roofing has spent more than 25 years working on Melbourne roofs, completing over 6,000 jobs with a focus on safety, honest pricing and workmanship that holds up. Here's a closer look at what sets the team apart and why so many homeowners and property managers across Melbourne put their trust in them.

Decades of Local Experience

First Class Roofing has a long-standing presence in Melbourne, with residential and commercial projects completed across the CBD and northern suburbs. The team works on tile, terracotta and metal roofs, and is made up of licensed Roof Plumbers and Roof Tilers who know Melbourne's climate, its building styles and the regulations that apply to local roof work.

Quotes You Can Actually Understand

Every quote is itemised line by line, with scope, materials and labour listed separately. That makes it easy to compare options, keep your budget on track and plan for any contingencies. There are no hidden costs, and you'll know exactly what to expect before work begins.

Strong Warranties and Full Compliance

All work is backed by meaningful guarantees and completed to the required safety and compliance standards:

- A 10-year workmanship guarantee covering the quality of installation
- A 20-year Bluescope warranty on Colorbond and steel materials
- Compliance Certificates from the Plumbing Board issued on completion
- Work carried out in line with WorkSafe Victoria standards

One Team for Every Roofing Job

Because First Class Roofing covers such a wide range of services, every solution can be tailored to the [first class roofing](#) specific needs of the property. Services include:

- Roof restoration for tile, terracotta and metal roofs
- Full roof replacement
- Asbestos removal
- Repointing and flashing repairs
- Guttering and downpipes
- Commercial roofing and restoration projects

A Simple, Well-Managed Process

Every project starts with a free roof inspection, followed by an itemised quote and a clear timeline. Once work begins, the site is carefully managed to keep disruption to a minimum. The team coordinates with tenants when needed and makes sure the property is left clean and safe.

Skilled, insured tradespeople and documented procedures are at the heart of the business. Detailed records, including photos, reports and compliance documents, mean homeowners and property managers always know where their project stands. The result is durable roofs and far fewer callbacks.

Help When Storms Strike

Melbourne's weather can be tough on roofs. When storm damage hits, First Class Roofing helps streamline the insurance claim process, works directly with assessors and delivers prompt, high-quality repairs. Getting the roof fixed quickly limits downtime and helps protect the value of your property.

A Reputation Built on Reliable Service

Melbourne homeowners and property managers regularly point to the team's punctuality, clear communication and consistent results. That steady stream of positive feedback reflects a genuine commitment to professional, respectful service and real value for money.

Roofing That Respects Melbourne's Character

Whether the property is a period home or a modern build, the team chooses materials and finishes that suit the style of the home. The aim is a durable roof that stands up to local weather while keeping the property looking its best from the street.
