The Secret Sauce: The Top Slot

Before every spin of the primary wheel, a two-reel **Top Slot** spins concurrently above the main game view.

- Reel 1 displays among the betting sectors (a number or a bonus video game).
- Reel 2 shows a multiplier (varying from 2x approximately 50x).

If the horizontal reels line up to form a match between the bet section and the multiplier, that multiplier is used to that specific segment for the upcoming spin. If the wheel arrive at that section and sets off a win (or a benefit round), all payouts or bonus offer multipliers are instantly increased by that worth. This is where Crazy Time truly measures up to its name, permitting for huge payouts on even the tiniest bets.

Dive Into the Four Crazy Time Bonus Rounds

The main reason players flock to Crazy Time is the four interactive bonus offer games. When the wheel stops on a perk sector, players who put a bet on that sector are transferred from the main studio into a stunning augmented-reality mini-game.

1. Coin Flip

- **Frequency:** 4 segments on the wheel
- **Gameplay:** A simple heads-or-tails game. The host presses a button to turn a coin that has a red side and a blue side. Each side is assigned a random multiplier before the flip. Whichever color lands deal with up wins for the gamers. If the multipliers are low, a "Rescue Flip" might periodically be set off.

2. Money Hunt
