What is Avia Masters?

Avia Masters is an arcade-style online casino game established by BGaming. Unlike traditional slots where gamers simply press "Spin" and wish for a matching payline, Avia Masters presents an air travel style where gamers introduce an airplane into the skies.

The objective appears easy: keep the aircraft flying as long as possible while collecting multipliers, avoiding threats, and managing fuel levels. Nevertheless, the higher the aircraft climbs, the higher the dangers-- and the more lucrative the possible real-money rewards end up being.

Core Gameplay Mechanics

Before wagering hard-earned cash, players need to understand how the mechanics run. The game counts on a Provably Fair algorithm, making sure total openness and randomness on each and every single flight.

1. **The Launch:** Players place their preferred wager and hit the launch button, sending the aircraft air-borne.
2. **Fuel and Multipliers:** As the airplane rises, it burns fuel. Along the flight course, players come across numerous multiplier boosters and perk stars that increase the total payout worth.
3. **The Descent or Crash:** The flight needs to end either when the gamer picks to cash out securely or when the airplane lacks fuel or encounters a barrier. Timing is everything.
