- **Money Hunt:** Appears 2 times on the wheel.
- **Pachinko:** Appears 2 times on the wheel.
- **Crazy Time:** Appears just 1 time on the wheel.

The Four Exciting Bonus Games Explained

The primary tourist attraction of the Crazy Time demo experience is seeing or taking part in the four unique bonus offer rounds. Each uses a totally different gameplay mechanic.

1. Coin Flip

The most basic of the reward rounds. A coin with a red side and a blue side is flipped by a device. Each side is assigned a random multiplier before the [Bitz.io](#) flip. Whichever side lands deal with up awards the player that multiplier.

2. Money Hunt

A shooting gallery design perk game where players exist with a huge screen including 108 random multipliers hidden behind different symbols (such as a cactus, target, or chef hat). Gamers objective and fire a virtual cannon at their selected symbol to reveal their reward.

3. Pachinko

Motivated by the conventional Japanese arcade game, a glowing puck is dropped from the top of a big Pachinko wall filled with pegs. The puck bounces down until it lands in among the multiplier zones at the bottom. If it hits a "Double," all multipliers on the board double, and the puck is dropped once again.

4. Crazy Time

The ultimate bonus round. Players go into a dynamic, surreal virtual world behind a red door, including a massive giant wheel with 3 flappers (green, blue, and yellow). Players select their flapper, the wheel is spun, and whatever multiplier it lands on is granted. Landing on a "Double" or "Triple" increases all multipliers on the wheel for another spin.

Common Betting Strategies to Test in Demo Mode

While *Crazy Time* is essentially a game of opportunity driven by a random number generator (RNG) and physical wheel physics, gamers often employ different techniques to handle their risk and extend their playtime.

- **The Conservative Approach (Number Focus):**

- Betting mostly on the 1 and 2 sections.
- *Why:* These numbers cover the vast bulk of the wheel, offering frequent, smaller wins that keep your balance stable.

- **The All-Bonus Strategy:**

- Placing small wagers solely on the four bonus rounds (Coin Flip, Cash Hunt, Pachinko, Crazy Time).
- *Why:* This targets the highest payout capacity and the most amusing parts of the game, though it includes a greater threat of dry spells.

- **The Balanced Spread:**

- Covering a mix of numbers (like 2 and 10) along with all 4 perk games.
- *Why:* Ensures you have a possibility at routine payments while still keeping a foot in the door for the major bonus rounds.

Tips for Transitioning from Demo to Real Money Play

When you feel great after observing or playing in low-stakes demo environments, transitioning to real-money play needs discipline. Keep the following tips in mind:

1. **Set a Strict Budget:** Decide how much you want to invest before you begin playing, and never chase losses.
2. **Handle Your Bankroll:** Divide your overall bankroll into smaller session units so that a few bad spins do not clean you out instantly.
3. **Keep in mind the RTP:** Keep in mind that perk bets typically have a somewhat lower RTP than the number 1 section, implying they are greater variance.
4. **Enjoy the Entertainment:** *Crazy Time* is created most importantly as a home entertainment item. Deal with any potential earnings as a perk to the enjoyable experience provided by the live hosts and studio design.
